

BOY SCOUTS OF AMERICA SCUBA DIVING MERIT BADGE PROGRAM

Offered at Discovery Dive World

PADI and the BSA have joined forces to develop the new *Scuba Diving Merit Badge*! Like other merit badges, the Scuba Diving merit badge will teach and train youth in a manner consistent with the overall goals and values of the Boy Scouts of America. Much like scouting, the overall philosophy of scuba encourages the quest for adventure. It is a life changing experience that enables young men and women to embrace challenges in a whole new way.

PADI is the world leader in dive training with over 40 years experience. The Gulf Coast Council has approved Discovery Dive World, an exclusive PADI 5-Star training facility, as a BSA Scuba Merit Badge center. Discovery Dive World's professional PADI staff offers local training to any BSA troop.
