## Ramon’s Village in San Pedro, Belize

Styled after the Tahitian cottages on the Polynesian island of Bora Bora, the cabanas are built from native materials by craftsmen utilizing the same skill and techniques the islanders used in the days of the great sailing ships. This is NOT a concrete condo encompassed by concrete parking lots. Ramon’s Village is a sanctuary nestled in a tropical garden of Royal Palms, bougainvillea, lilies, hibiscus and dozens of other types of tropical flora. Surrounded by the plant life are Mayan sculptures that provide a glimpse of the civilization that preceded us in this Caribbean paradise. Once inside the enchanted village, you’ll be in a world of your own choosing. **\$500 Holds Your Spot!**
