

“Manatee Adventure at Crystal River”

17-19 Feb 2017 (Fri to Sun)

Enjoy this rare opportunity to swim and interact with the Florida manatees!

Plantation on Crystal River

Unlike other areas of Florida, the Federal Government allows for "passive observation" in the water between manatees and people in Kings Bay. This allows face-to-face interaction with manatees. You'll get a pre-tour education on passive observation and how to get the best experience during the tour. The travel package includes accommodations and breakfast with your Florida manatee tour. Swimming and snorkeling with the manatees and exploring the greater Kings Bay estuary and springs is extremely popular, and is suitable for the whole family!
